

Internal Medicine & Transitional Year Residency Program

Application Process

Applications are only accepted through ERAS for the Categorical and Transitional programs. All positions are only offered through the National Residency Matching Program.

- 1244140C0 Categorical Internal Medicine (3 years)
- 1244999P0 Transitional (1 year)

To be considered for Interview, the following materials must be submitted through ERAS no later than December 31:

1. ERAS application
2. Curriculum vitae (ERAS format is acceptable)
3. Personal statement
4. Dean's letter
5. Three letters of recommendation, preferably including one from the chair of the Department of Medicine
6. Medical school transcript
7. USMLE Steps 1 & 2 (Minimum USMLE scores required to be selected for interview is 85 and above, on first attempt, on both USMLE step 1 & 2).
8. Demonstration of current medical education (i.e. graduated from medical school within the past 5 years or 1 year clinical experience such as, transitional or preliminary year)
9. Valid ECFMG certificate, including successful completion of the CSA (if Applicable).
10. Email address

If you are an Osteopathic Medical Student, we require at least USMLE Step 1 scores to be considered for an interview. COMLEX alone does not meet this requirement

Maryland General Hospital adheres to the standards and guidelines for the employment of non-immigrants as established by federal immigration laws and the U.S. Department of Labor. Non-immigrant alien residents will be sponsored under the J-1 visa only. Completion of a minimum of 4 months of active clinical experience in a US or Canadian medical school prior to November is preferred. Clinical observerships are also encouraged. So that we can accurately capture this information, be certain to enter this information in the appropriate areas in ERAS, e.g., under Residency/Fellowship/Work or under Volunteer/Other Work.

Upon review of these materials, you will receive an email informing you if an interview has been granted. Interviews are conducted on Mondays and Thursdays from early November through the end of January. Reduced rates at nearby hotels

are available. If you have any questions, contact us at 410-225-8790.

For other correspondence, you can reach us at:

Regina Azu, MBA
Residency Program Administrator/Coordinator
Department of Medicine
Maryland General Hospital
827 Linden Avenue
Baltimore, MD. 21201

Telephone 410-225-8790
email: medicine@marylandgeneral.org

IMPORTANT: After applying to our program, please check your email frequently. Invitations, confirmation of your interview and other correspondence will be sent **ONLY** via email. Please do not call the Department of Medicine to check on the status of your application. Selected candidates will be invited for interview.

If you are interested in a Post match position, Please follow the instructions above. We consider post match applicants through ERAS only. Faxed and mailed documents will not be considered.

*** The Program Director may waive particular selection criteria in certain circumstances.**
